Op. A. G.

40-183
(4/23/42) Pat. atty joins Army. Profits w/o part in firm's practice. Specific exception Sec 505 AEF validates - but even so caveat conflict interest.

* 40-187
(4/27/42) This has ok if not (1) stat. prohibition in public office (2) stat. prohibition on type priv activity (3) clear conflict of interest. Heads agencies not lth to laws & principles, but may make own reqs.

40-265
(2/13/43) Paym salary by assn m's for membs ODT. 2nd War Powers Act did not specifically repeal (1914) & "upheld by implication are not favored".

40-289
(4/6/43) No good.

40-168 Many off as liaison with priv corp in wch he is off & 5th Governed by SS 434 & 1914. Conflict of interest almost unavoidable & is bad.

39-501 Univ. prof on leave ^{with pay} as consultant to Gov. Ok (1914) since not "in connection" with services to Gov.
